

GOLDEN MANOR CORPORATION

January 27, 2009

To Whom It May Concern:

I am writing on behalf of Mr. Ron Dick, Principal of Design-7 Architects in Fargo, North Dakota.

It has been my pleasure to work with Mr. Dick and his firm on three projects, one in Barnesville, Minnesota (2002), and two in Detroit Lakes, Minnesota (2003 and 2005). In each case, Mr. Dick and his firm designed and supervised the construction of assisted living facilities for my company.

I found Mr. Dick's performance to be highly satisfactory, with work completed on-time, and per specifications. I was also impressed by his willingness to graciously accept and implement any modifications I requested, both pre-construction and during construction.

I am pleased to offer my favorable recommendation of Mr. Dick and Design-7 Architects, and do so without reservation.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Fewson", written over a horizontal line.
